## THE STORY OF TOMFOOLERY

Once upon a time Lived Thomas Skelton, the Late Fool of Muncaster Castle, on the shore of Ravensglass in the Western Lakeland of England. Serving as Court Jester in the late 1500's, Skelton's antics gave birth to a new word...Tomfoolery. Thomas Skelton is still rumored to haunt the castle at Muncaster, looking for something to eat.

Tomfooleries is a playful American restaurant & bar with a friendly "come as your are" atmosphere. Experience the range of flavors from house made pizzas, steaks, salads & pastas. Tomfooleries is great for your after work cocktail parties, birthdays, rehearsal dinners, showers & luncheons.
