THE STORY OF TOMFOOLERIES

Once upon a time lived Thomas Skelton, the Late Fool of Muncaster Castle, on the shore of Ravenglass in the Western Lakeland of England. Serving as Court Jester in the late 1500's, Skelton's antics gave birth to a new word... Tomfoolery. Thomas is still rumored to haunt the castle at Muncaster, looking for something to eat.

Tomfooleries is a playful American restaurant & bar with a friendly "come as you are" atmosphere. Experience the range of flavors from house-made pizzas, steaks, salads & pastas. Tomfooleries is great for your after work cocktail parties, birthdays, rehearsal dinners, showers & luncheons.

Throwing a party? Planning an in-office business lunch?

You'll want to ask our manager about Tomfooleries' catering and semi-private dining areas for 25 to 100 people. Check us out on the web at Tomfooleries.com for our full menu, party trays, bountiful buffets and in-office catering options.

Of course, don't forget that we also have a full menu available for carry-out and delivery, Monday through Friday, from 11am to 2pm, in the Plaza Area Only. If you need to get out of the office, c'mon in for lunch and try our Chef's seasonal Menu of the Moment, or perhaps try one of our fresh made rustic pizzas.
